Dear customer,

As part of your visit, your Volkswagen dealership carries out all the processes necessary to provide the stipulated service and to satisfy your requirements. This typically leads to a series of processes in which information about you as a customer and your vehicle is processed and in which Volkswagen AG is involved as the manufacturer of your vehicle. In particular, this involves handling service processes and new car or used car purchases, or conducting customer surveys. We will inform you of the relevant data processing by Volkswagen AG in the following sections.

Data processing, transfer and storage is regulated by the provisions of this legal requirement; customers may expressly refuse to such activities prior to the data being read out in the authorised workshop.

Your data is deleted after 15 years at the latest or in accordance with the legal requirements, e.g. as soon as the purpose for which the data was collected no longer applies and provided that there are no other retention obligations.
